Read the following passage, then answer the questions:

Your goal is something that you want to do . First , you should think about what you want and decide on your goal . You should write your goal on a piece of paper , put your goal poster on your wall and look at it every day . Then , decide what you have to do to achieve your goal .

Some people never reach their goal because they think it is impossible . You should think positively . Don't think " The exam is difficult and I will probably fail it ."

Instead, you should think " The exam is difficult , but I have worked hard and I'm going to pass it ." People who think negatively seldom reach their goals , So , be positive .

We are most successful at things we enjoy . So, think how happy you will be when you have reached your goal . Think about that happiness while you are working and you will enjoy your work .

Answer the following questions:

39- How can you learn to enjoy your work?

**- We should think how happy we will be when we have reached our goal .

Read the following passage, then answer the questions .

It was very hot in the small court room . After a tiring morning, the judge must have felt relieved when the last case came up before the court . A middle - aged man stood before him . The man had a foolish expression on his face and he kept looking around stupidly as if he were trying to understand what was going on . The man was accused of breaking into a house and stealing a cheap watch . The witness did not give a very clear account of what had happened , but on being questioned, he confessed that he was not sure whether that was the man .

The judge considered the matter for a short time and then declared that as there was no real proof , the man could not be found guilty . When the judge was ready to go , the accused looked very puzzled . It was clear that he had not understood a thing . Noticing this, the judge paused for a moment and then the man said , “ Excuse me sir ,but do I have to give the watch back or not? ”

Answer the following questions:
